EDUCATION

Rutgers University, New Brunswick, NJ *May 2027*
Pursuing Bachelor of Science in **Computer Science**
Saddle Brook High School, Saddle Brook, NJ *June 2023*
High School Diploma

WORK EXPERIENCE

Student IT Technician (on-site) – Rutgers University - Newark *Jan 2024 – July 2024*

- **Technical Support:** Assisted in diagnosing, troubleshooting, and resolving hardware, software, and network-related issues for users. Responded to Level I and Level II service requests, resolving incidents reported to the service desk efficiently.
- **Software Installation & Configuration:** Assisted with OS upgrades, software installation, and system configuration, ensuring workstation readiness for end-users. Configured and managed networking equipment to ensure connectivity across campus.
- **Peripheral Maintenance:** Assisted in setting up, maintaining, and troubleshooting computer peripherals such as printers, scanners and external storage devices. Assisted with enterprise-wide OS upgrades, including data backup.

PERSONAL PROJECTS

Personal Portfolio Website – Independent Project link: <https://github.com/pmahi1627/Mahi.Portfolio.git>

- **Front-End:** Developed a responsive, mobile-friendly front-end using **HTML**, **CSS**, and **JavaScript**, emphasizing accessibility, modern layouts, and smooth user experience.
- **Back-End:** Built a **Flask**-based contact form to handle user submissions securely, including form validation and server-side routing.
- **Deployment:** Deployed and maintained the full-stack site using **GitHub** to showcase skills, projects, and achievements.

OTHER ADDITIONAL SKILLS

- **Programming Languages & Frameworks:** Java · JavaScript · Python · HTML · CSS · Flask
- **Development Platforms & Tools:** GitHub · Replit · Visual Studio Code · Figma
- **Technical Skills:** Web Development · Software Installation & Configuration · Technical Troubleshooting · IT Infrastructure Maintenance
- **Soft Skills:** Problem-Solving · Analytical Thinking · Communication · Team Collaboration · Adaptability
